Preparing to sell

A room-by-room checklist for a smoother listing launch. Choose the tasks that fit your property and schedule.

Before photography

- Remove personal items and clear counters.
- Open blinds and replace burnt-out bulbs.
- Tidy entry, porch, and visible outdoor areas.
- Put away valuables, medications, and sensitive documents.

Before each showing

- Secure pets and personal belongings.
- Set a comfortable temperature and turn on lights.
- Clear sinks and counters; make beds.
- Confirm access instructions with your agent.

Before listing goes live

- Review the property description for accuracy.
- Confirm price, room counts, measurements, and included items.
- Check photo order and remove images that do not represent current condition.
- Confirm required disclosures and brokerage details.
