Your home-buying journey

A practical conversation guide. Your agent can adapt steps to local rules, timelines, and your financing.

01 Plan

Discuss location, priorities, timing, and a comfortable budget. Speak with a qualified lender about financing and pre-approval.

02 Search

Compare homes against your must-haves. Review property details and schedule viewings.

03 Offer

Review comparable information, price, terms, deadlines, and contingencies with your agent before signing.

04 Due diligence

Arrange inspections and review disclosures, title information, and applicable documents with qualified professionals.

05 Financing & appraisal

Respond promptly to lender requests. Track appraisal and loan conditions; ask about anything unclear.

06 Closing

Review final figures and documents, arrange funds safely using verified instructions, complete the walk-through, and collect keys when authorized.

Questions to bring to your first conversation

What matters most in a home? Which costs should I plan for? What deadlines will apply? Which professionals will support the transaction?

This guide is general information, not legal, lending, tax, or inspection advice. Local processes vary.
